## Welcome to Bay City Academy

### **Our Mission and Vision**

“Action Over Words, Service Over Self”

We believe:

- Students deserve to have instruction delivered in a way that is relevant and meaningful.
- School should be a non-threatening environment that emphasizes relationships.
- Character education is modeled and assessed.
- Highly trained, motivated teachers are essential.
- Parental involvement and support is a necessary element of a quality educational experience.

Our district’s inquiry-based curriculum will help students become self-motivated and competent lifelong learners who are critical thinkers, demonstrating confidence and creativity. We believe that all students can achieve high standards even though they may enter our school with different strengths, abilities and life experiences.

### **Bay City Academy Staff—Parents/Guardians—Students**

##### **What to expect from us:**

- A partnership in the education of your student.
- Response to your call or email within 24 hours.

Email addresses are the teacher's last name first initial @baycityacademy.com.

If you would like to schedule a meeting or a phone call with our team please contact the BCA front office to set up an appointment.

**Parent Teacher Organization (PAC)**

BCA parents are invited to join our Parent Action Committee. The purpose of this group is to empower you as parent volunteers to share your time and talents and help our school to grow bigger and better. Meetings are held throughout the school year. ## **Curriculum and Assessment**

### **Curriculum**

Bay City Academy follows the Common Core State Standards ([www.corestandards.org](http://www.corestandards.org)) adopted by the Department of Education for Math and English Language Arts. The following are resources that teachers use to achieve these standards.

Math:

- Everyday Math 4
- Savvas Math
- MobyMax
- Delta Math RTI
- UFLI

English Language Arts:

- Bookworms Reading and Writing
- MobyMax
- Reading A-Z and a variety of leveled books
- Readworks.org
- Newsela

Bay City Academy follows the newly state adopted expectations from Next Generation Science (<http://nextgenscience.org/michigan>). The following are resources to support these expectations.

- Writing across Common Core State Standards
- Field Trips
- Classroom Experiments and age appropriate websites
- Generation Genius
- Mystery Science

For Social Studies BCA follows Michigan Grade Level Content Area Expectations: ([http://michigan.gov/documents/mde/SSGLCE\\_218368\\_7.pdf](http://michigan.gov/documents/mde/SSGLCE_218368_7.pdf)) The following are resources to support the expectations:

- MI Open Book
- Studies Weekly
- Writing across Common Core State Standards
- Field Trips
- Reading A-Z
- Readworks.org

### **Assessment**

It is important that all schools regularly measure students' progress in learning. Assessment is one of the most important things we can do to make sure we have high student achievement. Here are the ways that we measure student learning at Bay City Academy:

1. **Teacher created or textbook chapter and unit tests:** All teachers routinely give assessments to their students on various lessons and units that they are teaching.
2. **Language Arts Assessment:** All students in grades K-2 are assessed on the following skills throughout the year: letters and sounds identification, segmentation and blending, high frequency words, concepts of print. All students in grades 3-6 are assessed on the following skills throughout the year: high frequency words, fluency and comprehension.
3. **Northwest Evaluation Association (NWEA):** Students in grades K-12 take the computerized MAP test three times a year and the results are used to measure academic growth in reading and math. We are also able to show progress school wide using this assessment. NWEA is an effective tool for schools to use not only because of the national standards, but because the results are available right away.
4. **M-STEP:** This is the state mandated test for students in grades 3-8, and 11 in various subject areas. M-STEP is taken in the spring.
5. **Cooperative and Individual Projects:** Projects are created and assessed by teachers. These are designed for students to demonstrate learning within our curriculum.
6. **PSAT and SAT:** Students in grades 8-11 will take state mandated tests based on Math and Language Arts. Scores are used to determine aptitude for college level academics.

Our parents appreciate that we do not spend all year preparing for or pressuring students to perform satisfactorily on only one test. BCA teachers consider the reading and math growth shown on the NWEA to be the most important measures of achievement.

**K-5 Grading and Report Cards**

Bay City Academy uses standards based report cards. Students are graded using the following system:

- 4 – student’s work is above grade level.
- 3 – student’s work demonstrates grade level competence.
- 2 – student’s work is approaching grade level.
- 1 – student’s work shows an area of concern.
- \* – standard has not been taught

Guidelines and information about this program are available from our college and career counselor or at [baisd.net](http://baisd.net).

## **Early Middle College - Edge**

Students have the opportunity to earn an associates degree, tuition-free, one year post high school. This program involves students participating in certain career center classes for college credit or taking classes directly through Davenport or Delta during their junior and senior year. Students participating in this program are required to sign up for it by fall of their junior year. Students must meet certain academic criteria and families are responsible for the cost of books and supplies. For more information contact our college and career counselor.

### **Credit Recovery**

Any student that does not earn a required credit during the regular school year will have mandatory summer school. A credit is considered not earned when a student receives less than 60% in the course or a letter grade of an F.

### **MHSAA Sports**

BCA participates in MHSAA including, but not limited to, Football, Volleyball, Basketball, Baseball, Softball, Bowling and Cross Country, through a co-op with All Saints Central High School. Please see the BCA Athletics Handbook for the requirements to be eligible to play Middle School and High School sports.

Students are expected to turn in all homework assignments on or before the set due date. Students who cannot meet the required due date are encouraged to speak to their teacher before the due date passes. Students who turn in assignments late will receive point reductions up to one week past the set due date. Assignments turned in more than one week late will not receive credit for the assignment.

### **Academic Honesty**

We value academic integrity and do not permit any form of dishonesty or deception that unfairly, improperly or illegally enhances the grade on an individual or group assignment.

Academic Dishonesty includes, but is not limited to:

- Cheating on exams by copying from others, having or using notes, formulas, or other information in a programmable calculator or other programmable device.
- Having or using a communication device such as a cell phone, Smart Watch or electronic translator to send or receive unauthorized information.
- Having or using a cheat sheet.
- Altering a graded exam and resubmitting it for a high grade.
- Gaining or providing unauthorized access to the examination materials.
- Plagiarism by copying part or all of another person's work and submitting it as your own.
- Plagiarism by using internet resources as your own, including but not limited to, Wikipedia, websites, and ChatGPT
- Acting as a provider of a paper or papers for others.
- Submitting substantial portions of the same work in more than one class without consulting with the teachers.

- Failing to use quotation marks where appropriate.
- Failing to properly cite paraphrased materials with footnotes or a bibliography.
- Making up data for an experiment.
- Citing non-existent sources.
- Giving or getting improper assistance on an assignment meant to be individual work.
- Using the services of a commercial term paper company.
- Using the services of another student.

#### Consequences for Academic Dishonesty:

- **First offense:** Student will receive a zero on the assignment or test. Teacher and leader decide whether the student would be able to do an alternate assignment for partial credit. There will be a meeting with the student, parents, teacher, and/or leader.
- **Second offense:** Student will receive a zero on the assignment or test with no option for partial credit. There will be a meeting with the student, parents, teacher, and a leader. The student may be suspended.
- **Subsequent offenses:** Student will receive a zero on that assignment or test. The student may lose credit for the class if cheating has occurred in the same class before this instance. The student may be suspended from school for 3 days.

#### **Computer Use Policy**

Bay City Academy provides many computers and a variety of software for student use. Each student assumes the responsibility to avoid actions that may interfere with another student's ability to use the system. A student is allowed to use school-installed programs to access, modify or delete his/her own data on his/her own designated drive. All other use is prohibited. A student will be held responsible for acts (financially and within the discipline system) that access, modify, damage or delete hardware, software and other data and programs other than their own. Students are held accountable for information they access on the Internet. This information must be appropriate for school and free from pornography, profanity or any other offensive material. Parent/guardian and student must sign a computer and Internet usage form each school year.

#### **Class Schedule Change Request and Drop Procedures**

At Bay City Academy, every effort is made to determine the most appropriate courses for students, with their needs, interests and capabilities in mind. Therefore, any request for a schedule change will be considered only for the most compelling reasons.

During the year, schedule changes are rare, but may be justifiable under certain circumstances determined by the principal or college and career counselor. Any decision regarding schedule changes must involve the student, his or her parents, and the principal. The intent of this policy is to reach decisions in the best interest of the student based upon the involvement of both the student, the parents/guardian and the

judgment of the professional staff. No changes will be allowed after the first 2 weeks of the new semester.

### **Safety in the Schools**

At Bay City Academy, we work diligently to keep our students safe. Doors are always locked, monitored and checked throughout the day. Parents/guardians must check in with the front office staff upon entering the building. The front doors are the only doors used for entering and exiting the building.

### **Severe Weather**

If students are in school when a tornado watch or thunderstorm warning is issued, we will keep them in school until regular dismissal time. If a tornado warning is issued, students and staff will take shelter in designated areas and remain in school until an all clear is given. Please do not call school during severe weather except in case of an emergency. School phone lines must remain open to receive incoming messages.

### **Mandatory Drills**

We are required by state and federal law to perform several fire, lockdown, and tornado drills each year. Teachers work with their students to teach and practice these procedures. Parents will be notified of any event that is not considered a “drill”.

### **Parent and School Relationship**

Parents are encouraged to visit BCA and their child’s classroom at any time. Appointments are not necessary, but we ask that you check in at the front office prior to going to your child's classroom to receive a visitor's badge.

### **Volunteers**

Research has shown that parent involvement is crucial to a child’s success in school. We welcome, encourage, and appreciate the time and support parents give to the school. All volunteers working in our school, including parents, are asked to fill out a free background check form called Central Registry Clearance Request. Volunteer opportunities at BCA include, but are not limited to:

- **Classrooms:** This includes listening to students read, helping students with projects, or helping teachers prepare for projects.
- **Office Work:** Parents can help the office by making copies and doing other paperwork.
- **Home Work:** A lot of parents who want to volunteer but do not have the time during the school day take items home to help with and send it back with their student.

Please contact your child’s teacher for additional volunteering opportunities and to schedule a time for your visit.

### **School to Home Folders**

Elementary students carry a School to Home folder that will have daily assignments, homework, notes and other communication in it. This folder is an excellent way for the school and home to communicate informally. Please check this folder each night.

### **Teacher Communication**

Teachers are available before and after school for phone or personal conversations regarding your student. Please allow 24 hours to set up the appointment. Please do not call during the school day to speak with your child's teacher as they are instructing in the class. Email is also available. Teachers will return your call or email within 24 hours.

### **Newsletter**

Bay City Academy publishes a newsletter each week and sends it out every Monday during the school year. This letter contains information regarding curriculum, classroom events, volunteer opportunities and important dates. Additionally, elementary classroom teachers will keep you informed and updated weekly with a Classroom Newsletter/Dojo. We send these letters electronically. If you prefer to have the newsletter sent to you in paper form, please inform your child's teacher and the office.

### **Conferences**

Conferences are held twice a year, in the fall and spring.

### **Student Records**

Parents or legal guardians have the right to review records maintained by Bay City Academy for their children. Please call the office for an appointment with the building leader. Student record information will not be released except:

1. By written consent of the parent or guardian
2. When information is used, with parent consent, in the school directory.
3. Under circumstances as permitted by the Family Education and Privacy Act of 1974

### **Suggestions**

We view parents and students as partners in education. BCA staff are open to ideas that will help us improve our school. All suggestions and concerns should be of a constructive nature and be in line with the Action Over Words, Service Over Self-mission of the school. Working with your student's classroom teacher before approaching the principal is encouraged. If you feel as if your need was not met, contact the principal.

## **School Uniform Guidelines**

Students at Bay City Academy wear uniforms daily. We have chosen uniforms because they:

- Allow students and adults to focus on learning.

- Sets clear expectations between parents and children concerning school attire.
- Help eliminate student or staff perceptions about clothing as it relates to status.
- Improve the safety and security of the school.
- Improve behavior and discipline in the school.
- Help develop a sense of unity.
- Ensure that inappropriate clothing will not be worn to school.

### **Extra-Curricular Functions**

It is expected that students at school after hours, or at school activities or events, will be dressed appropriately for the occasion.

### **Required Uniform:**

Khaki, navy or black dress pants, shorts, or skorts. No jeans, athletic pants or leggings allowed.

Navy blue or red polo shirt with BCA logo, short or long-sleeved, white button down dress shirt. School provided BCA T-shirts.

If students are not in compliance with the above mentioned dress code, BCA will work to accommodate the student with appropriate dress. If student uniforms are not available, the parent will be asked to provide their student with clothing that meets the dress code requirements. Continued violations of the school uniform policy may result in suspension.

Only on Friday- Students can wear BCA or LSSU spirit wear. Spirit wear consists of BCA, LSSU related T-shirts or sweatshirts, and All Saints uniforms.

### **Optional:**

Navy blue or red sweater, sweater vest, crew neck sweatshirts or white cardigan.

### **Backpacks**

Backpacks are to be kept in lockers during the school day unless given special permission by the principal.

### **Attendance and Truancy**

School administrators have the responsibility under state law to enforce compulsory school attendance. Administration and teachers have the responsibility to work cooperatively with students to correct poor attendance patterns and refer truancy problems to the proper authorities following established protocol. The truancy process is as follows:

1. A phone call from BCA to the parent/guardian will happen after 5 unexcused absences.
2. Students that are absent for 7 days will receive a warning letter in the mail.

3. Truancy referrals to the BAISD will be made once a student accumulates 10 absences. These absences may be excused or unexcused.
4. For students who are repeat offenders from the previous year, they may be referred again once they accumulate only 3 absences.
5. Once a referral has been made, a letter will be sent to the parent/guardian with a date/time for a meeting at the school.
6. Parents may incur fines and court costs. Middle and high school students may incur a juvenile record and probation.
7. Students turned in for truancy will be monitored by the Truancy Coordinator and the Truancy Officer assigned to the school. Students will meet periodically with the coordinator and officer. The intention of the meetings are progress monitoring and to reduce absences and tardies in the future.

**Students are expected to:**

1. Accept responsibility for being present and on time to all classes.
2. Inform each teacher before necessary absences when possible.
3. Get make-up work from teachers, complete it, and submit it in a timely manner in accordance to late-work policy.

**Parents/Guardians are expected to:**

1. Encourage daily and punctual attendance.
2. Exercise responsible good judgment regarding the justifiability and appropriateness of all absences.
3. Limit school absenteeism for other than health reasons to an absolute minimum.
4. Notify the school when their student must be absent and support the reason with official documentation if requested.
5. Confer with the school in cases of attendance issues.
6. Monitor student's make-up work for timely completion.
7. Check PowerSchool regularly to monitor absences and grades related to the absences.

**Family Vacations:**

Each day is an integral part of a planned instructional program by your child's teachers. No amount of make-up work can possibly replace what a child learns by attendance in school and direct teacher instruction. Family vacations are best planned during scheduled breaks to ensure your child is getting valuable instruction. If a family vacation is planned during the school year, the parent/guardian should notify the teachers and principal one week before departure. Students will be responsible for making up assignments, tests, and quizzes. When possible, students can and should

complete work prior to returning and turn it in promptly upon returning. Family vacations are not excused absences.

**Appointments:**

To the best of your ability, we ask that appointments (dentist, doctor, hair, etc.) be scheduled for after school hours, on professional development days, and scheduled school breaks. Valuable learning is happening in school. Frequent, avoidable absences affect student’s ability to engage and be successful in making progress.

**Tardy Policy:**

Students are expected to arrive at school and to classes on time. Students arriving late to school must sign in at the office. Students arriving late to class will be marked tardy. Following five tardies in a quarter, the parent/guardian will receive a phone notification regarding excessive tardiness. Following ten tardies in a quarter, a mandatory conference with the truancy coordinator will be scheduled. If tardies continue, a district truancy officer will become involved.

If your child arrives late to school, a parent or guardian must check the child in at the front office. Your child will receive the appropriate pass to take to his/her teacher.

Students are expected to attend all classes. A parent must excuse students if they are absent or tardy; this also applies to leaving early. *Bay City Academy maintains a closed campus.* Students may not leave the school at any time during the school day without the permission of the school and their parent. Parents may excuse students by calling the BCA office (989-414-8254), sending a signed note or visiting the BCA office. If a student is not in school the entire day, he/she may not participate in a school sponsored event.

School officials will excuse absences for the following reasons:

- Personal illness with a doctor’s note
- Doctor or dental appointments
- Death in the immediate family
- Funeral attendance
- Religious holiday observance or other religious activities exempted by statute

School leadership shall have discretionary authority to excuse an absence for a reason the leader deems consistent with the policy but which is not identified on the approval list.

Students are considered unexcused if the parent does not contact the office. The office will call the student’s home for all unexcused absences on the day that they occur.

**Early Release of Students**

The following guidelines will apply:

- Please stop at the office when coming early to pick up your student to receive the appropriate pass.
- No child will be released to a person other than a parent or a guardian during school hours without the permission of the parent or guardian.
- The person to whom the child is to be released will be required to sign a log in the office indicating time and purpose of the release.
- Identification will be required if the person is not known to the office staff.

### **Emergency Contacts**

If your child is injured or becomes ill at school, we will make every effort to contact you. Please be sure that your emergency contact information on your Student Registration Form is filled out completely and accurately and on file in the school office so that we will be able to reach you at home or at work. The registration form should also list the names and numbers of at least two other people we can call in case we are unable to contact you. Please be sure that the people you list as emergency contacts are aware of this and are willing and able to take responsibility for your child.

## **Health and Wellbeing**

### **Immunizations**

State law requires that student immunizations be kept up to date unless a waiver is filed with the school. Waivers are available through your local health department by appointment only.

### **Illness**

To protect the health of your child and other students, we expect children to be picked up from school if they have a fever, rash, head lice, or similar communicable symptoms. Please notify the school if your child has been diagnosed with a communicable disease and keep your child home until fully recovered. Children need to be fever-free for 24 hours before returning to school.

### **Head Lice**

If a teacher believes a student may have head lice, the child is sent to the office for a staff member to examine the child's head for any live lice. If the child has live lice, his/her parent will be notified and expected to pick up the child with treatment given at home that evening. The student will not be able to return to school until there are no live lice present. If families are in need of assistance please contact the school office. Upon return to school, the child is checked to make sure live lice are gone.

### **Medication**

Michigan law requires that before any medication, including over the counter medication and herbal treatments can be administered to students, the school office must have the following:

- Signed statement form completed by the parent or guardian

- Signed statement from the physician explaining doses and any precautions.
- Current prescription container from the pharmacy or original packaging for over the counter medications.

Please note: Children are not allowed to transport medication to and from school. Parents must bring the medication to the office.

### **Cell Phones, Electronic Devices and Toys**

Students at Bay City Academy will not be allowed to carry or use cell phones during the school day. Personal electronic devices (Cell Phones, Smart Watches, I-Pads, I-Pods, Earbuds, and electronic games) must be disabled while the student is at school.

- School phones are available in the school office should a student need to contact their parent/guardian.
- Additionally, if a parent needs to get a message to their child, they may call the office.
- If a student brings a cell phone to school for after school use, it will be the student's responsibility to ensure that the phone remains off and is stored in their locker for the entirety of the school day.

### **Expectation for Storage of Electronic Devices**

- Cell phones are required to be powered off upon arrival at school. Devices must be secured inside the student's locker and must stay powered off and in the locker until the end of the school day. This includes during lunch and passing times.
- Students are not allowed to carry cell phones on their person or use their cell phone and/or smartwatch capabilities before school or during school hours (7:45 AM - 3:15 PM).
- Bay City Academy is not responsible for any lost, damaged, or stolen devices. Students should bring a lock for their lockers to ensure the safety of their phones.

### **Consequences for Misuse**

Should your child choose to violate the Bay City Academy electronic device policy, school personnel will confiscate the device and turn it into the office. Consequences for the offender will occur as follows:

**1st Offense** - The student may pick up the device in the office at the end of the school day. A warning of future consequences will be explained to the student.

**2nd Offense** - A parent/guardian will be required to pick up the device from the office.

**3rd Offense** - The parent/guardian and/or student will be required to conference with administration before the device may be picked up from the office. In addition, the student will receive disciplinary action to include In School Suspensions and/or other consequences.

**Subsequent Offenses** - A parent/guardian meeting will be required, and the student may lose the privilege to bring a cell phone and/or personal communication device to school. The student will receive a suspension and/or other consequences.

Notes: Administration will be immediately notified if a student refuses to surrender an electronic

device to school personnel. Refusal will be considered insubordination and will result in disciplinary action that may include suspension. In the event that a student knowingly lends another student their phone, and that student is caught using the device in a manner that violates the cell phone policy, both students will receive consequences as outlined above.

*Bay City Academy is not responsible for the loss, theft or damage to toys, cell phones or other electronic devices.* Parents acknowledge that by allowing their student to bring such devices and items to school, they are responsible for any damage, theft, or loss that may occur.

### **Breakfast**

All students receive breakfast at no cost to the family. Students may begin arriving at 7:45am to have breakfast before class begins at 8:00am.

### **Lunch**

Bay City Academy is excited to offer daily lunches for all students free of charge. Students may also bring a healthy lunch from home and are encouraged to do so in an insulated lunchbox. Please note that there may not be facilities to heat food brought from home. At times, students and teachers eat together. Teachers use this time to chat with students, teach appropriate table manners, conduct conferences with students as well as eat their own lunch. Students are able to talk with friends in a family-style atmosphere and seating arrangement. Students are expected to:

- Take care of all trash, leaving tables and surrounding floors clean.
- Remain in the lunchroom/classroom until dismissed or you are given permission.
- Bay City Academy is a closed campus. Students may not leave campus for lunch.

### **Water Bottles**

We encourage students to drink water throughout the day by keeping a reusable water bottle with them at all times while they are in school. Please provide your student with a water bottle that clearly has his/her name written on it. Students should wash their water bottles each evening.

### **Birthday Celebrations**

Birthday snacks are always fun for students to share in the classroom. Please speak with your child's teacher regarding appropriate time to bring these snacks to the classroom. Please check with your child's teacher about allergies in the classroom.

### **Transportation**

### **Bay City Academy Code of Conduct**

*The responsibility for respectful, responsible conduct lies with the individual student, his/her parents, and Bay City Academy. It is expected that student behavior on school property and at school sponsored events will be such as to contribute to a productive learning climate. Individual rights are to be honored and protected in all instances; however, the rights of one individual never take precedence over the responsibility to the activities in the classroom or functions held on school property. In all school and extracurricular activities, each student will be accorded that freedom which he/she expects, so long as he/she respects the freedom of others. Students should be aware that any staff member may take any reasonable action toward any student for the purpose of maintaining discipline over the pupils in attendance at any school (section 340.756, Michigan School Code of 1955, as amended).*

**BCA Philosophy** - Our philosophy is Action Over Words, Service Over Self.

**BCA #1 Goal** - "Do the right thing because it is the right thing to do."

Bay City Academy guides students to make positive choices as they navigate through tough decisions in and outside of school.

If our #1 Goal is to *Do What's Right* in every situation, then we must devise our framework for choices to attain that goal. BCA's framework is based on our staff and

students following (3) simple rules in every situation/instance on and off school grounds. The (3) rules and what they build are listed below.

### **Framework for Choices**

Do What's Right --- Builds CHARACTER

Do Your Best --- Builds COMMITMENT

Treat Others The Way You Like To Be Treated / Golden Rule --- Builds COMPASSION

If everyone in our BCA Family adheres to the framework of choices the school will flourish under the umbrella of the 3 C's: Character, Commitment, and Compassion. By *Doing What's Right* in every situation based on the school's perspective, you will establish yourself as someone who has tremendous character. By *Doing Your Best* in every situation, you establish yourself as someone who is truly committed to excellence. Finally, by following the *Golden Rule* (treating others the way you like to be treated) in every situation you will show that you truly care about all people and thus compassion becomes the staple for greatness to occur throughout the community.

### ***BCA Character Traits & More...***

#### **BCA Character Education Traits**

#### **Discipline Philosophy and Practice**

At all times we will treat the students kindly, respectfully and work to have a warm relationship. At Bay City Academy we have one school rule for all students and adults within the school. That rule is "Do the right thing because it is the right thing to do." That is exactly what we want to teach our students. We do the right thing as we go through our daily lives not because someone is going to give us a reward, or because we will be punished, but because it is the right thing to do. It will make us happier and those around us happier. Doing the right thing helps promote better learning. At our school we believe that talking it through will solve all problems. We teach students a process for talking through problems that promotes self-evaluation for improved behavior. The primary goal of our discipline philosophy is to develop positive relationships with our students and create classrooms that are need-fulfilling for students. If a student does disrupt learning, an adult may do the following:

1. Provide a gentle reminder that the behavior is disruptive and they need to stop.

2. If the behavior continues, the student will be asked to move to another area of the room until he/she is ready to rejoin the group. The student will determine when he/she is ready to rejoin the group.
3. If the student continues to disrupt the learning of others he/she will be moved to another classroom.
4. If the disruption continues in the hosting classroom, or the student's teacher believes the disruption is severe enough, then the office will be notified.
5. If the incident is severe enough (violence, threats, harassment, or repeated disruption of learning) to warrant a suspension, parents will be notified and we will implement a progressive suspension.

### **Progressive Suspension**

- First suspension – the student is sent home that day.
- Second suspension – the student is sent home, 3-day suspension; after 3-day suspension - Parent, Student, Teacher and Principal will meet to create plan
- Third suspension – the student is sent home, 5-day suspension
- Fourth suspension- the student is sent home, 7-day suspension
- Fifth suspension- the student is sent home, 10-day suspension, recommended for expulsion

\*\*\*The administration at Bay City Academy reserves the right to change the consequences of any student disciplinary infraction at any time necessary based on each individual situation.\*\*\*

Student use of profanity may result in an immediate one-day suspension. A graduated suspension system will be enacted if the offense occurs repeatedly.

Students will not be able to attend extra-curricular activities while serving a suspension. Any time a student is suspended for a second time, he/she will meet with the principal to go over the school safety and persistent disobedience policies.

“At school” means in a classroom, elsewhere on school premises, on a bus or other school-related vehicle, or at a school-sponsored event whether or not it is held on school premises.

“Physical assault” means intentionally causing or attempting to cause physical harm to another through force or violence.

“Sexual assault” means conduct that is sexual in nature, is unwelcome, or denies or limits a student’s ability to participate in their educational program.

Examples of sexual conduct include:

- making sexual propositions or pressuring students for sexual favors;
- touching of a sexual nature;
- writing graffiti of a sexual nature;

### **School Response to Violent Threats**

1. The student would immediately be brought to the office to meet with school administrators and relevant school support staff (counselor, social worker, and/or school psychologist) to discuss the concern and gather some initial information surrounding the concern. Police will be called if deemed necessary.
2. An administrator will conduct a search of the student's locker, backpack, and any other personal belongings if the threat is credible as defined by the professional collaborative staff guided by the administration team.
3. Parents will be notified and required to meet with administrators and plan the next steps. Any school consequence(s), school support services, and law enforcement follow-up will be presented at this time if necessary.
4. The student will be sent home with their parent(s) upon the completion of the meeting and parents will be given specific next steps in order for the student to safely return.
5. If a student is able to return to school, a re-entry meeting with parents and school administrators will be required to ensure all aspects of the plan have been followed through. All necessary support, outlets, and steps will be taken to ensure the safety of the students, staff, and Academy as a whole.

### **Suspension Policy**

Suspended students are allowed to make up assignments/assessments they miss during the suspension, for up to 100% credit, as long as they are turned in by the due date. Otherwise, late work penalties will apply.

### **Out-of-School Suspensions**

Students/parents may obtain assignments through Powerschool, by emailing teachers or with the help of office staff. Students who are suspended out of school may not be on school grounds before school, after school, during lunch or passing periods or for an extra-curricular event while suspended. If they need to pick something up from the office or their lockers, they may do so during a class period or after 4:30pm if accompanied by a parent.

Students who are suspended may not participate in any extracurricular activities during the suspension.

### **Reverse Suspension**

A reverse suspension is when a parent spends the entire day with their child as a consequence for poor choices in behavior. It applies to all grades K-12. Parents of students who commit non-violent, non-verbally abusive behavior will be offered the option of “reverse suspension”. The length of the reverse suspension will match the traditional guidelines of the school policy.

### **Discipline Safeguards for Students with Disabilities**

1. Students identified as disabled or in the process of being identified disabled under the Individuals with Disabilities Education Act (20 U.S.C. Section 1415) or Section 504 of the Rehabilitation Services Act of 1973 are subject to the provisions of this policy, except as noted below. These regulations and procedures are further defined on pages 12 and 13 of the Regulations of the Board of Regents for Elementary and Secondary Education governing the special education of students with disabilities to ensure that they are provided a Free Appropriate Public Education free from discrimination based on their disability.
2. The Individualized Education Program (IEP) or Section 504 Plan will address any special accommodation that must be made to the disciplinary code based on the needs identified through the IEP or 504 processes. A student with a disability may be suspended for a period of ten (10) or fewer days for disciplinary infractions unless the student’s IEP specifies alternative disciplinary procedures other than suspension. If the parent/guardian, teacher, or other individual believes that the behavior for which the suspension is being imposed is related to the student’s disability, the IEP Team must meet within five (5) days of the request. If a student is to be suspended for longer than ten (10) days or the cumulative number of days suspended is going to exceed the ten (10) days, the IEP Team must convene prior to the suspension and determine whether the disciplinary infraction is a manifestation of the student’s disability. If the IEP Team determines that the disciplinary infraction is a manifestation of the disability, the provision of the IEP, including placement, must be re-evaluated and the student cannot be suspended.
3. If the infraction is not related to the disability, the normal disciplinary procedures set forth by district shall be imposed. However, the parent/guardian must be provided with prior notice and given a copy of the procedural safeguards.
4. Any student with a disability, who is excluded from school, whether or not the reason for the exclusion is related to the student’s disability, must continue to be provided with a free, appropriate education. If a student with a disability is substantially likely to cause injury to himself/herself or to others in his/her placement, the Superintendent may suspend the student for ten (10) or fewer days in order to seek a court order or Interim Alternative Educational placement for not more than 45 days. This placement must be selected to enable the child

to continue to progress in the general curriculum, including services and modifications to meet the goals in the IEP or 504 Plan, and include services or modifications designed to prevent the behavior from reoccurring. The Individuals with Disabilities Education Act (IDEA) is in the process of reauthorization; therefore, the above safeguards may be amended at a later date.
